SUMMARY OF MEETING:

Representatives from Park-Ohio requested this meeting with CPSC staff to discuss the revised child-resistant packaging test standards and other general questions about the regulations of the Poison Prevention Packaging Act. The company discussed a new child-resistant package that they are developing. The meeting was then closed and the company representatives discussed data and results from child-resistant packaging tests of the new package with the staff. Perritt Laboratories representatives who had conducted the tests answered staff questions about the testing.
